iGNiTE! Reggae Band announces their new summer season, bringing a new soulful reggae sound to fans all summer long. This is a continuation of the sweet melody sounds that they are so well known for across Rochester and surrounding areas.

iGNiTE! Reggae is currently working in the studio producing new music that you are sure to hear in the near future. iGNiTE! Has earlier this month reported that they have already planned and booked shows for summer 2019 with the following schedule:

- May 25 – Ithaca, NY – iGNiTE@ the Haunt
- May 26 – Blasdell, NY – Woodland Beach Tiki Bar
- June 16 – Buffalo, NY – MLK Park
- July 06 – Blasdell, NY – Woodland Beach Tiki Bar
- Sept 02 - Syracuse, NY - NY State Fair

More schedule booking are being finalized.

iGNiTE! Reggae Band is a Rochester NY home grown band, having roots deep in the local Rochester reggae music scene. They have collaborated with the best artists and bands. And while iGNiTE! Reggae Band is sometimes labeled as a local band, they definitely has a broad universal appeal.

There's something about iGNiTE! Reggae Band that is indescribably different. They discovered what most bands spend lifetimes working for — the place where feel-good (reggae) music is welcome and embraced by people of all race and background.
